DECV... 28 MAY 1945 ... SUPPLY SECRETARIAT

29 MAY 1945

Dear Sir,

Referring to your D.O.No.SD.6364/A.41-44-24 dated 16th/18th April 1945, regarding the reversion of Mr.C.I.Machia to the Police Department, I write to state that although the fuel supply operations in Bangalore City have been recently entrusted to a private company, experience of the working of this company during the last one month has shown that the services of an efficient officer are absolutely necessary for the commandeering of topes, arranging of facilities for transport of stocks by rail and road, and for taking all necessary action to ensure a steady inflow of fuel into the City.

2. Mr.Machia has been in charge of this work ever since the introduction of fuel control measures and has proved himself to be indispensible for the work. Prior to the formation of the Bangalore Fuel Trading Company, he was responsible for the supply of fuel only to Bangalore City, but as the company has undertaken to supply the requirements of the Civil and Military Station and the Army as well, the work and responsibility of the Special Officer, Fuel Supplies have increased correspondingly. Mr.Machia's knowledge of the available sources of supply, of the topes to be commandeered and other connected matters have come in very useful at this juncture and I am of opinion that it is not possible to withdraw him from this work without serious consequences before the supply and stock position of fuel becomes more stabilised and satisfactory than it is now.

3. In the circumstances, I request you to be so good as to obtain sanction of Government to continue the services of Mr.Machia as Special Officer, Fuel Supplies atleast till the end of September.1945.

Yours sincerely,

G Sundara Rao
